Jai gems and jewellery is one of the largest gemstone dealers in the world. Operating for the last 70 years, in Jaipur, India. Major exporters of natural gemstone. Jai gems and jewellery has goon reputation with China, Hong Kong and all over the world.

We have a great variety of natural gemstones and jewellery.

We proved our customers high quality and standard gemstones.

Our company has a variety of gemstones. Our company does business by exporting gemstones to Germany, USA, China, Hong-Kong, Australia, Canada, Singapore, Taiwan, New Zealand, Dubai and all over the world.

Under our "One Price" policy, all our customers can be assured that the products they buy will be the most reasonably priced

OUR PRODUCTS

Our company carefully chooses these stones from the best quality sources. Our main products are precious and semi precious stone and gemstone's jewellery.

The quality of each gemstone is checked by experts to ensure that the customer will be satisfied with the quality of every single stone that they buy from us.

Our company utilizes a Gemology Department to ensure the quality of stones. Each stone passes through a process of dividing and quality checking.

First, by experienced experts who expert in analyzing stones and then by highly sophisticated technical equipment

Thus, you can be sure that every single product that you buy from us is authentic, high quality, and reasonably priced.
